## ABOUT ME

I was born and raised in Brooklyn, NY. I moved to Israel in 2011 and have been here since. I began as a student studying in yeshiva, eventually becoming a teacher and mentor. In the summer of 2024, I began a full-stack web development course in order to expand my knowledge and explore the high-tech field. I enjoy solving problems, learning, acquiring new skills, and expressing my creativity.

## EXPERIENCE

### • 2024-PRESENT

Remote

### GVU TECHNOLOGY

- Research, develop, and review content for a YouTube marketing company producing videos on topics related to VPN's and cyber security, making sure that all content aligns with company goals and guidelines.

### • 2024-2025

Remote

### FLUENTALK

- Taught spoken and written English to a demographic with Yiddish as their first language. Also coached college students on essay writing and structure.

### • 2020-2024

Jerusalem

### YESHIVA BIRCAS HATORAH

- Taught both Talmud and Halacha to yeshiva students, formulating lesson plans and engaging in interactive classes.

## EDUCATION
